

The Wahoo Barracuda

The Wahoo Barracuda is a breed apart. A thoroughbred race boat re-engineered for luxury. Twin 300 HP super-charged outboards will propel the 10 M RIB to speeds in excess of 70 knots in sublime comfort and style. From its twin racing seats, to its teak decking and sumptuously upholstered passenger seating the Barracuda oozes quality and performance. She's a Grand Tourer of the oceans.
